PUBLISHED BY THE ASSOCIATED STUDENTS OF
LOMA LINDA UNION ACADEMY

To the alumni of Loma Linda Union Academy
who have gone forth from these
our academic halls of learning
to wider fields of service
we admiringly dedicate

this Lomasphere.

We accept the flaming torch you have lighted
and will endeavor to hold it high
to light the path of these
who follow—

FORWARD

To preserve the glowing memory of time
spent at Loma Linda Academy—
the character gained from
faculty associations,
the lasting student friendships,
the aims of higher principles and ambitions
... is the purpose of our staff
in this presentation of the
Lomasphere.

GRADE SCHOOL

It hardly seems possible that we have come to the close of another school term, so rapidly has the year passed.

However, the quick passing of time is in itself a reminder to all of us that in a few short years there will rest upon the pupils who are now in our elementary schools the responsibility of carrying on the work which will hasten the coming of Jesus

On behalf of all the elementary teachers I should like to say that it has been a privilege and a pleasure to have been associated with the students and parents during this school term. We trust that the students have gleaned from their school experiences those things which will continue to contribute to a successful school life, which will help them prepare for a life of usefulness in the future, and most important of all, which will with God's grace enable them to become citizens of His kingdom.
